

"Outstanding job for getting our phones ringing during the state holiday. It was our fault for forgetting to put in the request and we really appreciate Selina coming in and fixing us so quickly. The after hours paging was extremely quick. Nice work!"

Game and Fish Department
Bismarck

"Access back to the supersession was completed very promptly, from the time my access was revoked to the time it was reinstated which included my phone call was only 3-4 minutes at the most. Good job, thanks very much."

Ward County - Social Services
Minot

"Very helpful, our problem was quickly resolved and staff were able to get on with their tasks. Thanks."

Northwest Human Service Center
Williston

"Prompt service. The "incident" happened on a holiday. The customer service person did the best they could to find and rectify the situation. Service was restored in a timely manner."

Parks & Recreation
Bismarck

"I never enjoy a "problem" with phones or computers etc., But I always enjoy my interactions with this department. You are a skilled staff with a light hearted attitude. I am deeply grateful for your helpfulness and for your determination to bring your 'personal best' to this work. Prisons need positive people in departments like yours to encourage hard working staff. We're fortunate to have you all -- or is it y'all:)"

Department of Corrections & Rehabilitation
Jamestown

"You were great in responding in a timely and professional manner! Thanks!"

Department of Health
Bismarck
